Motivate your students to become Infosys Employees!

Dear Placement Head,

We know many of your students might have envisioned themselves as an Infosys employee. As a sequel to our Cognizant-specific mock test, Infosys-specific test is going to be held on Jan 14, 2018. In view of the fact 'Better early prepared than late' this is the right time for the pre-final year students to enhance their test-taking skills.

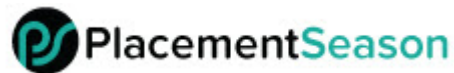

Our exemplary [free mock placement test](#) is based on the [updated Infosys Test Pattern](#):

- 10 questions from Quantitative Ability(This section focuses mostly on topics like Coordinate Geometry, Area & Mensuration, Numbers, Permutation & Combination and Probability)
- 15 questions from Reasoning Ability (This section focuses on topics like Data Arrangement, Data Sufficiency, Data Interpretation, Syllogism, Puzzles, and Visual Reasoning)
- 40 questions from Verbal Ability (This section focuses on topics like Comprehension, Grammar, Vocabulary and Critical Reasoning)

Your conveyance of this information to them will definitely be helpful in achieving their dream.
