RAJKIYA ENGINEERING COLLEGE , AZAMGARH

Established in the year 2010, Rajkiya Engineering College, Azamgarh is one of the leading technical institutions of the region and is responsible for producing top-grade engineers with skill sets comparable with the best in the world. It also renders the testing and consultancy services to the neighbouring industries and various other agencies. This institution is affiliated to government engineering college of Dr. A. P. J. Abdul Kalam Technical University, Lucknow, India and approved by AICTE.

The institute offers B. Tech. course in Civil Engineering, Information Technology and Mechanical Engineering. It offers Ph. D. in the aforesaid disciplines and also in Applied Science & Humanities. The REC, Azamgarh has signed MOU with MHRD and World Bank for TEQIP-III.

The faculty is well qualified with vast experience in various fields of Mechanical Engineering. The department has indulged in guiding several research projects of B. Tech students. Faculty members are trying to have collaborations with reputed leading Universities/Laboratories/Institutes around globe. The department and labs are well equipped with modern equipments.

HUMAN RESOURCE CONCLAVE

The Human Resource Conclave is one of the flagship events of Rajkiya Engineering College, Azamgarh under TEQIP III. The Conclave has been addressed by stalwarts by HR fraternity & Industry. The HR event has always witnessed overwhelming response from industry professionals. The previous workshop on Corporate Expectation deliberated that with the advancements in technology has changed the nature of work in corporate sector and the talented workforce chooses more autonomy and freedom to do their work and Human Resource fraternity need to align themselves with the change. The Conclave offer as an excellent opportunity to share and understand the various aspect of changing priorities in today's business world. The ultimate idea –How HR functions can create value while striving hard towards career excellence. The main aim is to better understanding of corporate priorities, so that our students perform well.

OBJECTIVES –

- Bridge the gap between Industry and Academics
- Create an interface between Industries and Academia
