Navneet Kumar	

Campus placements are the first place where students get an in-depth look into the professional world. They also get a clearer idea of what they are going to do. Interacting with industry professionals is always great and therefore, placement cells have to get the best companies for placement drives.

## QUALITIES REQUIRED TO GET SUCCESS IN CAMPUS PLACEMENT

1. Confidence
2. Enthusiasm
3. Communication Skills
4. Team Player
5. Leadership
6. Honesty
