Industry Academia Convergence
“Bridging the Gap”
(25th & 26th April, 2020)

Sponsored by TEQIP-III
&
Jointly Organized
By

Training & Placement Cell
Rajkiya Engineering College, Azamgarh
Approved by AICTE, New Delhi
Affiliated: Dr.A.P.J.A.K.T.U., Lucknow, U.P.,
www.gecazamgarh.ac.in

&
Training & Placement Cell
Government Engineering College, Karad, Pune,
(Maharashtra), India.

THE INSTITUTE

Established in the year 2010, **Rajkiya Engineering College, Azamgarh** is one of the leading technical institutions of the region and is responsible for producing top-grade engineers with skill sets comparable with the best in the world. It also renders the testing and consultancy services to the neighbouring industries and various other agencies. This institution is affiliated to government engineering college of Dr. A. P. J. Abdul Kalam Technical University, Lucknow, India and approved by AICTE.

The Institute offers B. Tech. course in Civil Engineering, Information Technology and Mechanical Engineering. It offers Ph. D. in the aforesaid disciplines and in Applied Science & Humanities. The REC, Azamgarh has signed MOU with MHRD and World Bank for TEQIP-III.

Training & Placement Plays a vital role in locating job opportunities for under graduate students and keeping in touch with reputed firms. Training & Placement cell of REC Azamgarh handles of all aspects of placements of all departments right from contacting the companies to managing all logistics of arranging for tests, Pre placement talk and conducting final interview.

Students of our College are working in various reputed Firms.

VENUE

Online
Zoom or Skype

CHIEF PATRON

Prof. Vinay Kumar Pathak

Vice Chancellor

Dr.A.P.J.Abdul Kalam Technical University, Lucknow

PATRON(s)

Dr. S. P. Pandey
Director
Rajkiya Engg. College,
Azamgarh, U.P.

Dr. Ashok. T. Pise
Principal
Government College of
Engg., Karad, Pune

CONVENOR(s)

Mr. Vishal Kumar
TPO
Training & Placement,
REC, Azamgarh, U.P.

Dr. Anil R. Acharya
TPO
Training & Placement,
GCE, Karad, Pune

Faculty Co-ordinators

1. **Mr. Amit Bhaskar**
2. **Mr, Ashok Kumar Yadav**

ORGANIZING COMMITTEE

1. **Mr. Vijay Kumar (HOD, MED)**
2. **Mr. Tauseef Ahmad (HOD, ITD)**
3. **Dr. A.N Singh (HOD, CED)**
4. **Dr. P.K Shrivastava (HOD, ASHD)**

ADDRESS FOR CORRESPONDENCE

Mr. Vishal Kumar
Training & Placement Officer
Rajkiya Engineering College, Azamgarh,
Deogaon (U.P) - 276201
Mobile: 8825287707
E-mail: vishalnita2010@gmail.com

Programme and Objectives

With the advent of globalization and opening up of Indian economy to outside world, competition among industries has become stiff. To solve their engineering problems, they look up now to engineering institutions. Similarly, there is an urgent need to prepare engineering students for jobs in multinational companies, by exposing them to newer technologies and engineering methodologies.

These objectives can only be achieved well by bridging the gap between industry and the academic institutions. Better interaction between technical institutions and industry is the need of the hour. This will have great bearing on the engineering curriculum, exposure of engineering students to industrial atmosphere and subsequent placement of young graduating engineers in industries across the country. This initiative is experimenting with alternative approach and support instruments (based on global practices) to foster cooperation between key actors of innovation promotion-industry-academia-buyers-government at the cluster levels.

Industry Academia collaboration, the world over, is extremely limited and has not been harnessed to its full capacity. Hence, there is an urgent need to take proactive steps to enhance the employability of Students and make them industry ready. Therefore, it is the high time when industry requires to ploughs back its experience into the Academia continuously for re-orienting the teaching pedagogy and program of study to enrich. Deepening of Industry Academia interaction will enhance the quality of teaching and research in the universities and production output and processes in the industry. This Interaction aimed at bringing together Top management professionals from industries, Academicians, Researchers & Students of diverse fields together to discuss the dimensions of academia-industry partnership today and exchange ideas, practice and experiences on different aspects of Industry-Academia integration.

Programme Highlights

- Bridge the gap between academics and Industry.
- Increasing the Employment opportunities.
- To Enhance the Employability of students.
- Identifying Mentors for promoting and nurturing entrepreneurs
- Create an interface between Industries and Academics (Teachers, Researchers and Students) for interaction and transfer of knowledge, experience and technology.

Registration

Registration form in the prescribed format approved/sponsored by competent authority should reach to the Convener Mr. Vishal Kumar on or before 24th April, 2020. No registration fee required to register for the participants. Shortlisted participants will be intimated through Email and it will be displayed on Institute website. www.gecazamgarh.ac.in also.
